DIGITAL SAFES

FOR HOMES, OFFICES & COMMERCIAL SPACES

ABOUT US

Established in 1999, Ozone has a global presence across 15 countries, 4 R&D centers across Israel, Korea, China & India, and 4 state-of-the-art factories in India & China. Ozone Secutech is a professional safety and security solution provider having its own design center, manufacturing, sales & service setup.

Using the latest techniques blended with cutting edge technology, we are constantly developing innovative solutions that improve our customers' lives through greater security, safety and convenience. We offer complete range of safety & security products and solutions for institutional, commercial and consumer markets.

We offer a comprehensive range of choices in usability and design. Our range of Digital Safes include Biometric (fingerprint) enabled, PIN/password enabled, fire resistant, water resistant, moisture resistant & chemical resistant safes. We also make connected safes equipped with state-of-the-art burglary resistant GSM module - 'Notify'.

All our products go through stringent quality checks and are designed for durability, reliability and high performance.
