

08. FITTINGS FOR SLIDING DOORS

Sistema-4

Fittings for hanging doors

The SISTEMA-4 provides functionality, quality and design to the cupboard, in addition to a cushioned closing system thanks to INDAmatic.

A very simplified assembly is available in a wide range of finishes.

FITTINGS FOR HANGING DOORS

Junior 6

Sliding door system

Improved, even smoother runner, thanks to their lower bearings and their triple running points which prevent unwanted door movement.

But above all it is known for its automatic and cushioned gradual soft closing.
